

Minutes from August 25, 2007 Meeting

President Donna Magin called an emergency meeting on August 25, 2007 at the Windom Arena. This was necessary due to Rick Baley, one of our 3 judges, being stranded in Detroit because of canceled flights. A discussion was held regarding the best way to accommodate show participants. Lita Hottel was called to see if she could fill in for Rick. She was unavailable.

Gene Luddens made a motion to hold the show using 2 of the 3 judges and to add Rick Baley to the following day for a total of 4 judges. Tammy Winkleman seconded it, and the motion passed unanimously.

Minutes are subject to approval.

Respectfully submitted,
